

San Carlos Patriots Pop Warner Football and Cheer

Dear Friends & Business Owners,

San Carlos Patriots has been serving the surrounding community for over 50 years. That all ceased to exist in 2020 as a result of COVID. Our inventory was given to those that needed it to try and find another association.

Earlier this year, a community effort grew to bring the Patriots back. To once again be the feeder program to Patrick Henry High School. Coaches, parents, and supportive members of the community made commitments to help this organization stand back up. We were voted back into Pop Warner, supported by Patrick Henry High School with field access and a new Board was formed.

We reinstated our 501(c)(3) non-profit status and are now asking for donations to help rebuild our inventory and athlete participation. Money donated to the Patriots will 100% be used to buy new helmets, shoulder pads, equipment and help those athletes requesting scholarships to play due to hardship.

It has been said that any child participating in football or cheer will never forget or regret the experience. Our league strives to teach valuable lessons in teamwork, safety, and all levels of leadership. This level of teaching and coaching accompanied with the highest safety practices is what makes for a stronger well-rounded organization.
