### Your organization charges a \$29.99 volunteer opt out fee.

Many sports organizations are only able to operate with the help of volunteers. Charging a fee for not volunteering enables organizations to pay for the help they need. Would you like to go back and volunteer or checkout?

You are now ready to check out and pay. Payment plan options are available and split into 3 payments. All fees must be paid before your athlete can practice on July 15<sup>th</sup>, 2025.

Here is additional information regarding the mandatory fees with registration:

You will notice two other mandatory fees. Both of which you can earn or be reimbursed for. The Fundraiser Fee is \$40 and a percentage of that fee will be allocated to your team's bank account. Additionally, the email address used for player registration and is the account holder, will receive 1 Comedy Show ticket which will again be this year's main fundraiser for SCP. You may be able to sell your ticket(s) to friends, family, neighbors, businesses, etc. at face value of \$40. You can also elect to donate your ticket back to SCP or transfer to whomever you elect. You will have the opportunity to buy additional tickets should you want to attend or sell together. Comedy Show details will be forthcoming on date, time, comedians, etc.

For the Volunteer Opt Out fee of \$29.99, should you wish to sign up and complete a minimum 2-hour snack bar shift, we will reimburse you with a meal and drink. You may also opt for 1 additional Comedy Show ticket. A signup sheet will be used, and you must be registered on the spreadsheet to work at the snack bar. There are limited positions throughout the day and the number of home games we may have, so register early to ensure a spot.

These fees are needed to ensure we have enough volunteers to run our home game snack bar and to meet our fundraising goals. Should your team make the playoffs and need to travel out of town, these fundraising fees collected will be allocated to each team. The money raised from the fundraiser fee and also all fundraisers your team may conduct can be used for end of year party, equipment needed, additional expenses your team agrees to incur, etc. Your team manager will be able to answer questions, provide the snack bar spreadsheet and more.

Thank you for registering your athlete with San Carlos Patriots!!
